Short Description of the Organization / Department	SBE collects under its umbrella Master's and Ph.D. programs in social sciences, humanities, economics and administrative sciences, educational sciences, and applied disciplines related to these fields. These areas of research correspond to four faculties at Boğaziçi University, namely (i) The Faculty of Arts and Sciences ; (ii) The Faculty of Economics and Administrative Sciences; (iii) The Faculty of Education ; and (iv) The School of Applied Disciplines. Currently SBE administers 14 Ph.D. programs, 25 Master programs, and 5 executive programs run by various academic departments in these four faculties. In the academic year 2013/2014 a total of 1,313 graduate students are enrolled in these programs.		
Previous Related Projects / Research Experience	Boğaziçi University is a leading Research University, and is rated in the first 200 universities globally, by THE ranking system. It receives high marks especially in research impact and internationalization, partly due to its previous performance in European Framework projects The university has achieved considerable success in European Commission's Framework Programs (FP6, FP7) and Exchange Programs, which have yielded more than 6 million Euros in its research income. The university attracts research funding from both national and international research funding organizations as well as from industry. Partnerships with leading academic institutions across the world have strengthened the university's prominence in research. The success rate in the number and the estimated value of the awarded contracts has been gradually increased since 2003. The university has been involved in more than 50 EU projects in execution, both as a partner institution and as a coordinator.		
Short Description of the Project idea (if foreseeable)	The Institute for Graduate Studies in Social Sciences offers the following Ph.D. Programs: Clinical Psychology, Economics, Educational Sciences, English Language Education, English Literature, History, Linguistics, Management, Management Information Systems, Philosophy, Political Science and International Relations, Psychology, Translation Studies, Turkish Language and Literature
